to the unidentified rocket launcher regiment of the First Gds Mecz Army. As the 14 rocket launchers observed can also not belong to the rocket launcher battalion of the 8th Gds Mecz Div stationed in Leisnig, their assignment cannot be identified.

| Comment. The transfer to Koeni struck of the units of the 8th Gds Mecz Div stationed in Leisnig was repeatedly confirmed. | Ithough no other indications for the transfer of the barracks installations to the KVP are available, the information appears credible.
